Carla,

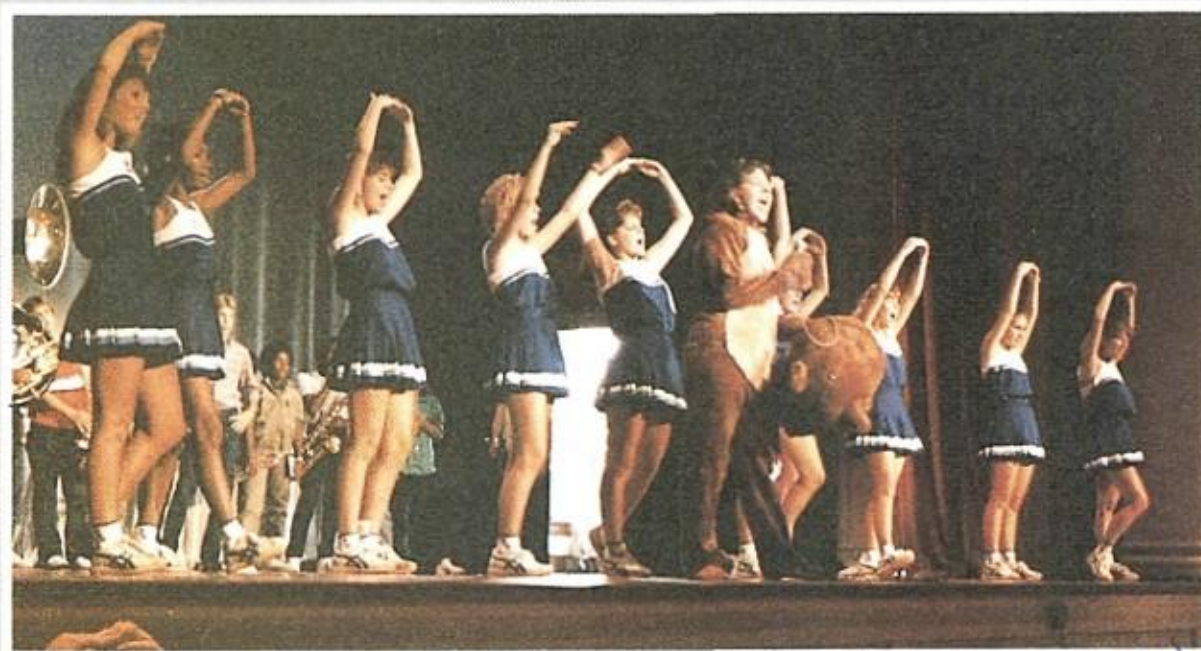

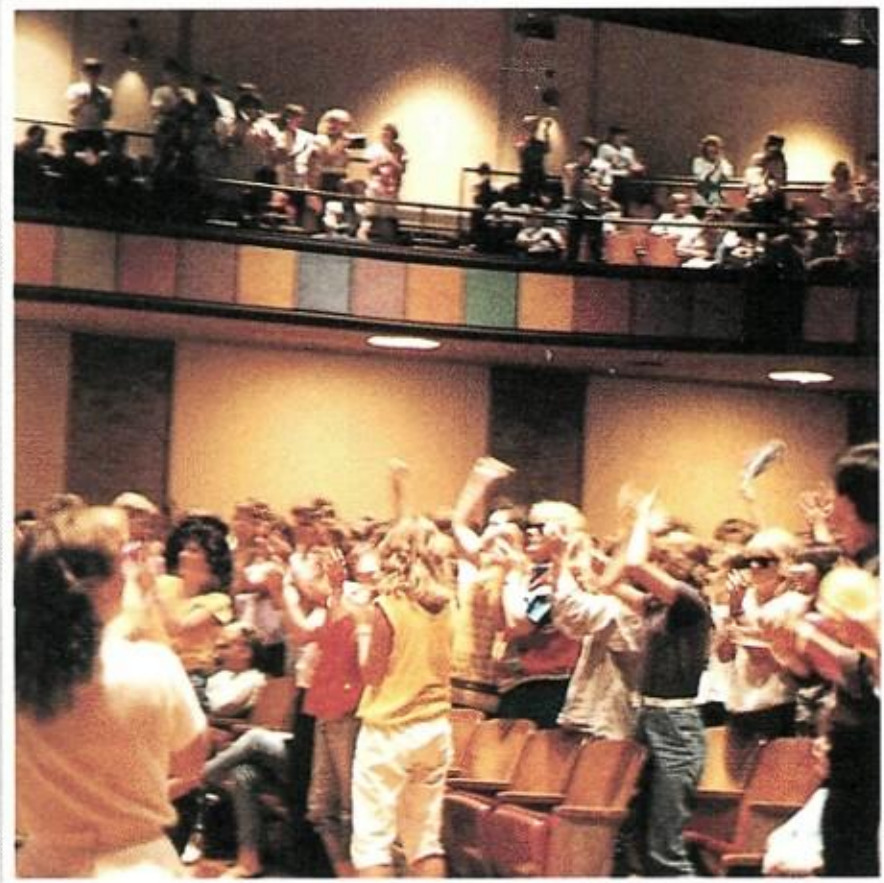

It's been really nice having you in
Physical science. We had a lot of fun. I hope
to have you in some classes next year.
I have a fun summer. Stay sweet. Love ya,
Take care
See ya next year. Dr. "89"
Garnet S.

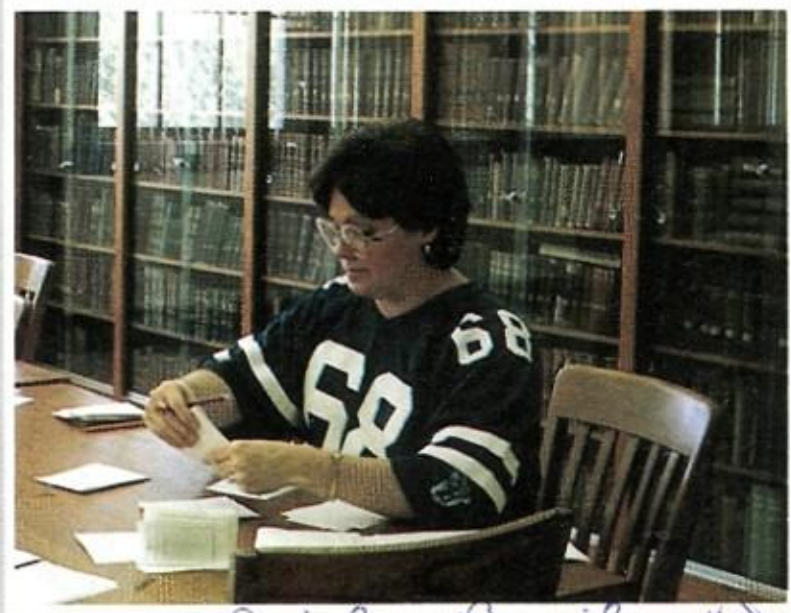

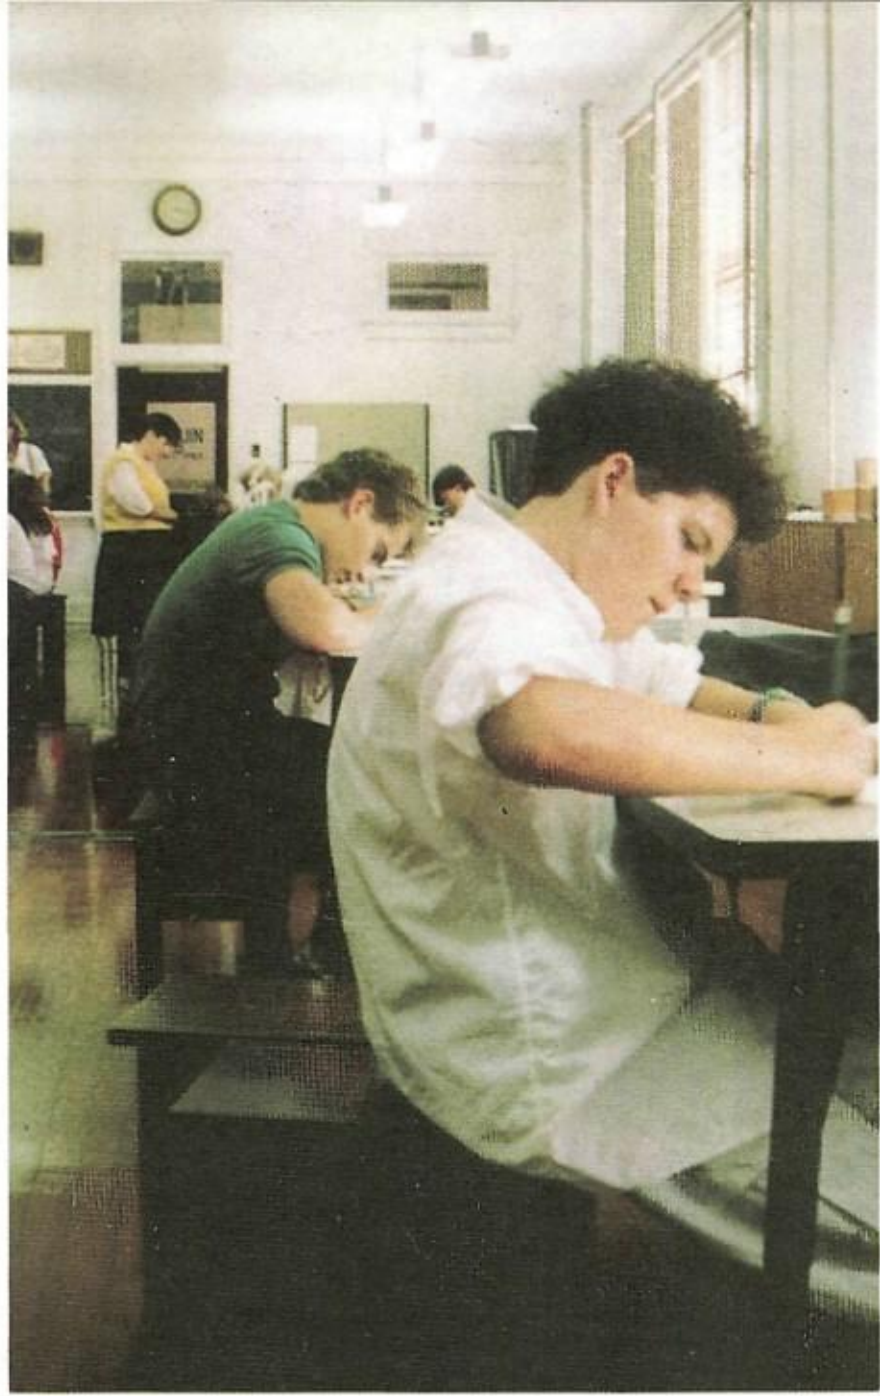

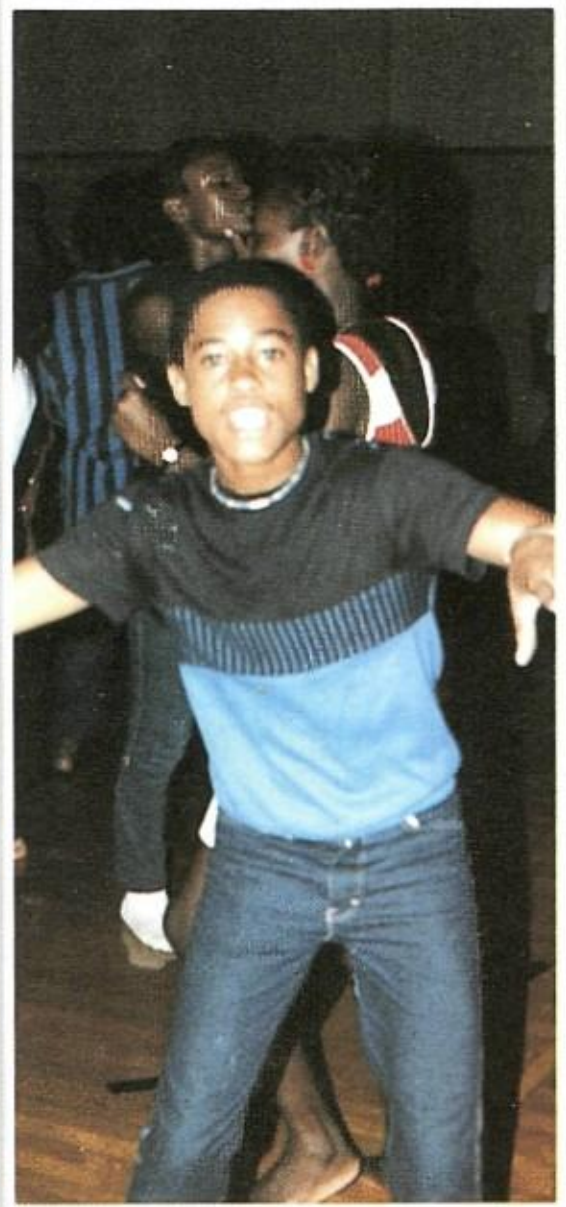

This year the Bruin staff shared a common goal, to produce a special book. This book represents the classic Bolton High School. In this Bruin you will find more pictures of friends, faculty, and school activities. Our job is to show the school. The best way to show the school is to show you — the heart of Bolton.

TREY!

Brian!

By looking at these pictures we see Bolton. It's not just a regular high school. The individuals that make it up are unique. When we take pictures many people smile. If you look real close you'll notice that their smiles show dignity and pride. This pride shines through, this is Bolton.

Carla- well,
 this is as good
 a place as
 any to write
 I guess. It's
 really been a
 fun year. I wish
 we had more
 classes together
 though. Maybe
 next year. I
 still remember
 all the good
 times we had at
 ACDS! The water
 fights in the
 Bathroom, Mi-ho-
 B, and Mi-ho-Don,
 and Tiffany's
 toilet. We
 really had fun!
 But this year I'm
 not in any
 classes with
 any of my
 friends but
 that's okay b/c
 if I was I'd
 probably be
 expelled by
 now. Good luck
 next year. Go to
 Menard! I am.
 Remember Mrs
 Stevens? Look-
 I'm about to
 be out of room,
 so let me run.
 Be sure to KIT
 over the summer.
 Stay cute?

On Excuse that gross
 PIC of me! (in front of
 week) Alicia⁷⁵

OUR GOVERNING BODY

This year, the Student Council was part of major changes in school activities. The council voted to change the format of the homecoming parade and pep rally and also decided to have a Sadie Hawkins Dance. The Council held its annual can food drive and attended to many needs of the Bolton Community.

The Student Council is composed of five officers, six committee members, and four Senior Class Officers. The Council decides on most problems within the school and plans most school fund raisers and dances.

Bolton's Y-Teens is the biggest Group in the association. Because the group is so big they do a lot more things than some of the other Y-Teens at other schools. They go to the hospitals and nursing homes to do good things and to help cheer people up. They are part of the excellent reputation that Bolton has earned as a part of the Alexandria community.

BOLTON BAND RECEIVES SUPERIOR RATINGS

The Bolton High School Marching Band adds excitement to the half times at Bolton's football games, pep rallies, and many community activities. The band also travels and competes in various marching contests and received a superior rating at this year's Louisiana Tech Marching Festival. This is the highest rating a band can receive. Band members have long hours of practice, but have fun as well.

AGILITY AND SPEED PRODUCES GOOD TEAM

The Boy's Basketball Team is made up of hard-working, dedicated, and talented boys. Many hours of practice are required to make a good team and these boys put in their share of practice hours. Many students look forward to basketball games because they enjoy the excitement and often times the victories that take place on the court. Bolton is, and for many years, has been proud of its basketball team.

Carla,

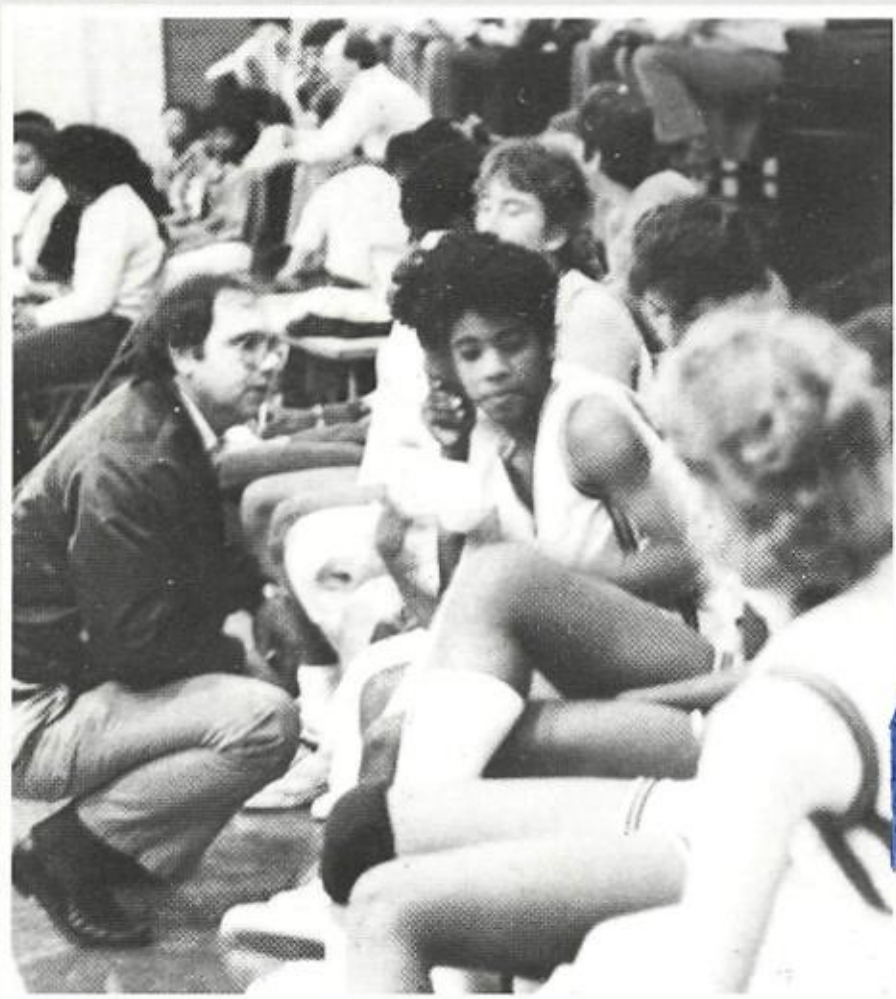

Hey! It has been great knowing you this year. I hope I will see you around next year. Have fun over the summer and try to stay out of trouble.

See you around.

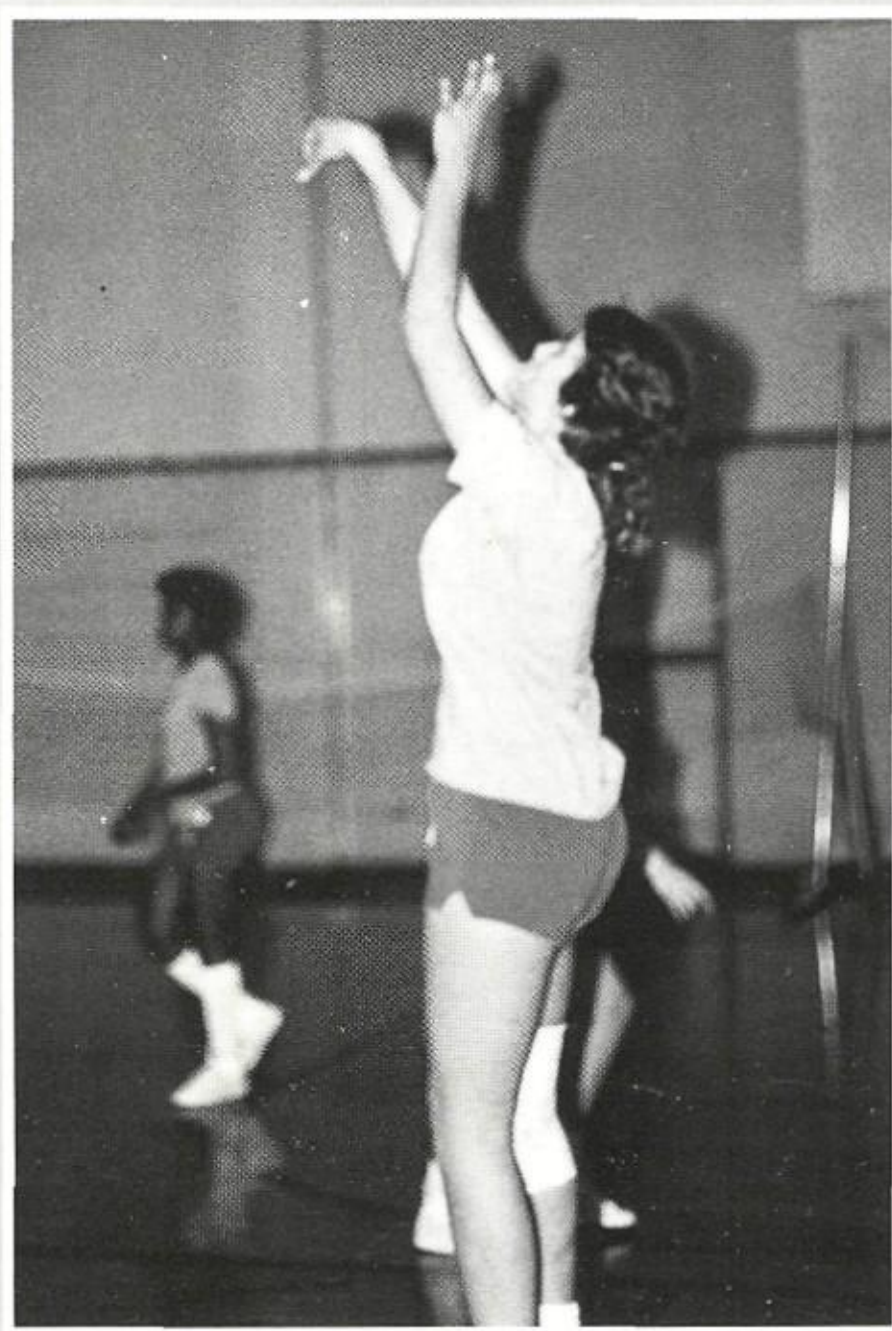

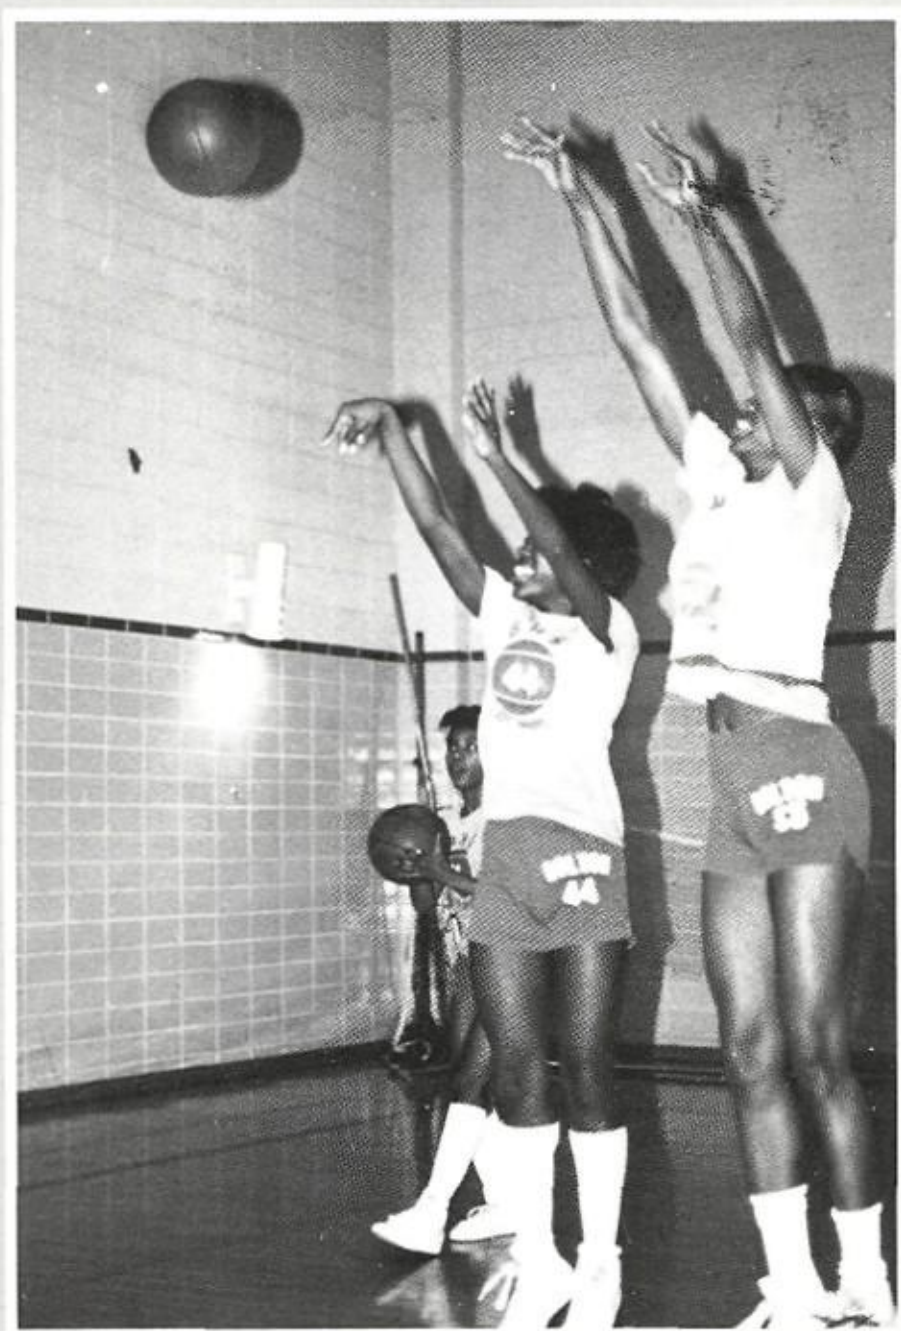

Love,

Carla,

Well, it's been a real exciting
year knowing you. You're such a
trip! I know you're never gonna
forget the fun stuff we've done.
Are you?! I know you'll never forget
rolling ~~the~~ "Jags" house. That was
fun. And you help you if you don't
remember the time we came in
at 1:00 in the morning? Got our asses
in trouble. It was really worth it
though. He was (is) so fine! Carla, I
must say you're really a true friend.
Thanks so much for being there when
I needed you. You've really helped me
through some rough times. Well, just remember
if you ever need a friend I'm always here.
Take care & have a fun summer!

cause I'm on the bus. I know we weren't good friends for a long time but I'm really glad we got to be friends this year. I hope we can stay friends in the years to come.

Carla Warla,
wise words from Missi,
What's up? Did you pass?
I hope so, maybe it will give
me some encouragement. I gotta go
and I love Missi. *Patricia*
